Great vehicle for the value. Drives like a dream!!

By: Robert J. Pfaff (Columbus, OH) 02.10.12

overall rating: 5 out of 5 Detailed Ratings

Trim: 2011 Ford Fusion I4 S | Purchased: New | Driven: 1-2 yrs | Mileage: 22,000

"I love driving my Fusion. It was a very economical buy and has surpassed my expectations. It is on the smaller side of compact, so road tripping with a family of 4 has been a little bit tight. I bought it for my long commute to work though, and for that, it has done it's job well. I am very happy with my car. Wouldn't trade it for anything."
